

In response to Coronavirus (COVID-19) concerns **all Gary Public Library locations will be temporarily closed, effective TUESDAY, MARCH 17, 2020** until further notice. We will continue to monitor and reassess the situation as more information becomes available.

We encourage patrons to use our online resources including digital movies, music, ebooks, and other educational online databases available on the library's website.

Please hold on to materials that are currently checked out until we reopen. Due dates will be extended.

Library updates will be posted on our website, www.garypubliclibrary.org Facebook, and Twitter.

We thank you for your patience and understanding. These are temporary measures and all services will return to normal when the crisis has passed.

Visit the Centers for Disease Control and Prevention website at www.cdc.gov for information on the Coronavirus.
