## From the Director...

Sherri Ervin

The Gary Public Library wishes to extend a special thank you to all who participated in our National Library Week activities last month. We also appreciate the support of our Friends of the Gary Public Library who donated refreshments for all library units during their Open House.

We are currently busy compiling the results of the National Library Week survey. We appreciate your time in telling us how you feel about your Gary Public Library.

Your opinion matters to the Gary Public Library. It is our sincere hope that this survey will offer the community an opportunity to engage and participate in the process of sustaining a viable Library.

Please help us by filling out this survey and returning it to Library staff.
