

— Meet the Author & Book Signing

DAWN MICHELLE ROBINSON

Dawn Michelle Robinson is a Certified Peer Support Professional with over seven years of personal experience in recovery. Her journey through addiction has not only deepened her understanding of the disease but also ignited her unwavering passion for supporting others on their own paths toward healing and wholeness. Through her lived experiences, Dawn brings empathy, authenticity, and insight to every conversation and community she serves.

As a woman of faith and a firm believer in Jesus Christ, Dawn wholeheartedly believes that "With God, nothing shall be impossible" (Luke 1:37) and that "Faith without works is dead" (James 2:26). These scriptures guide her life and work, inspiring others to trust in God's power while actively engaging in their own healing process.

As a result, Dawn founded Dusk2Dawn Recovery, a non-profit organization dedicated to providing a safe, supportive space for individuals navigating their recovery journey. Under her leadership, Dusk2Dawn has become an oasis of hope, offering resources, connection, and encouragement to help individuals move from merely surviving to truly thriving.
