How to get a Library card

Valid identification bearing the current street address within our library district is required when filling out an application for a library card.

The signature of a parent, guardian or caregiver is required for a patron under the age of 18 years to process the application. Signature must be provided in person. Parent, guardian or caregiver must present picture identification with the current address. If the identification does not have a current address, the individual must also provide a valid document with the present resident home address. The first library card is issued without a charge. The cost for a lost card replacement is \$2.00. The card will be issued immediately, if everything is valid.

Don't forget to get a PIN number to access the Library 24/7 online - books, music, movies and more!
